

The operation of a Business Management System is to provide a consistent achievable control of the company operations for a sustainable business and to deliver quality projects for its customers.

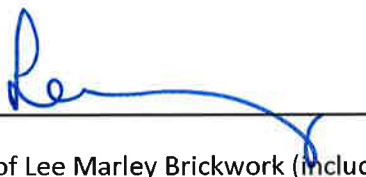

Lee Marley Brickwork Ltd provide masonry facades from brick, block and stonework including access scaffolding on a variety of projects for clients such as residential developers and main contractors. Supply and installation of brickwork accessories such as masonry support systems and wind posts is also provided.

To ensure consistent performance of the company to the requirements of BS EN ISO 9001:2015 including regular reviews of the quality system are carried out by holding a quarterly review meeting.

Company Aims

1. Achieve ISO 9001/2015 Transition by September 2018.
2. Carry out site audits on the project quality plan as per schedule with no more than 6 observations, 4 minor MIN and 1 MAIN from each site location.
3. Minimise defects by following inspection and test plan requirements, NCR completed for all defect works to be less than 8 each calendar month during 2018 totalling no more than 96 by the end of 2018.
4. Ensure material supply compliance by Carrying out 12 Major supplier appraisals by December 2018.
5. Have a minimum of 2 prestigious projects shortlisted for the brick awards.

Lee Marley Brickwork are committed to satisfying and exceeded customer expectations where possible. It is the company's intention to monitor customer satisfaction through customer feedback forms.

Signed 
On behalf of Lee Marley Brickwork (includes Scaffold Division)
